

Job Opening – Batch Mixer

Full time, Permanent

Location: Tab Labs Production Facility - Langley, BC

Date – April 8, 2021

The Opportunity:

Tab Labs currently has an exciting opportunity for a detail-oriented Batch Mixer. The successful candidate will work in our Production facility reporting to the Director of Operations. The role's key responsibility is setting up, operating, and tending machines to mix and blend materials and ensuring conformance to requirements.

About Tab Labs:

At the heart of Tab Labs our vision is a strong, solid, well-managed exciting and innovative company with high business ethics and an excellent reputation. A company that offers great opportunities and a place where people like to work. Tab Labs is owned by Fertin Pharma in Denmark and is part of a global organization with over 700 employees across manufacturing facilities in Canada, Denmark, and India. If you are interested in contributing to the development of cutting-edge product alongside talented and dynamic industry and business professionals, this opportunity is for you.

What we do

Develop and manufacture innovative confectionary and nutraceutical products (tablets, gum, lozenges) that enhance the efficacy of active and functional ingredients. We ensure the highest standard of food safety without compromising taste, texture, and the consumer experience.

Our Benefits

Tab Labs offers a competitive compensation package, a benefits program, and a work environment where our team members are highly engaged.

Key Responsibilities

- Measure, dispense and mix raw materials to precise specifications
- Cleaning of machinery and machine parts
- Reconcile production orders
- Examine products to ensure quality and conformance
- Maintaining an organized, clean, and safe workspace

Skills and Qualifications

- High School Diploma or GED preferred
- Mixing/Blending experience in a manufacturing environment
- Ability to lift or move up to 25 kgs
- Strong English communication skills
- Ability to work in a fast-paced, changing environment while maintaining a dedication to quality and safety

If this role sounds interesting and you have the qualifications, we would love you hear from you. Please apply by forwarding your resume, cover letter and salary expectations to stevent@tablabs.ca

We thank all applicants for their interest; however only those selected for an interview will be contacted. Tab Labs is an equal opportunity employer.
